# About us

Started in 1980 we are still independent & one of the UK's largest Window Film distributors & installers.

Our large range of Window Films can:

- Reduce heat and glare from the sun.
- Cut the cost of using HVAC.
- Protect and offer safety & security.
- Offer different levels of privacy with frosting or complete block out from our comprehensive range of coloured vinyl's.

We produce Digital Wallpaper, Super-Graphics & Printed Vinyl using the latest large format UV printers.

Cut Vinyl & Manifestations are also produced on site and can be designed by us or we can make to a design of your choice.

When delivering your project we own the entire process. From stocking the necessary materials, in-house design through to manufacture & finally installation.
