|                      |           |
|----------------------|-----------|
| Thickness            | 30 micron |
| Roll Length          | 30 meters |
| Width                | 60"       |
| Warranty             | 5 years   |
| Composition          | PET       |
| REACH RoHS compliant | RESPECTED |

---

### AV Colour Strawberry

This PET coated coloured film is a great way to add a touch of colour to interior glazing (such as partitions). With a tough scratch resistant coating which aids installation and maintenance, whilst increasing the life of the film.

***Please note: There may be restrictions concerning the suitability of this product to certain glazing types. If you would like general advice, please contact your supplier.***
